Subject: Steering rack and pinion

| Reference: | Table | Item | Code |
|------------|-------|------|-----------|
| | 13B | 1 | 2413007 |
| | 13B | 6 | 090909019 |

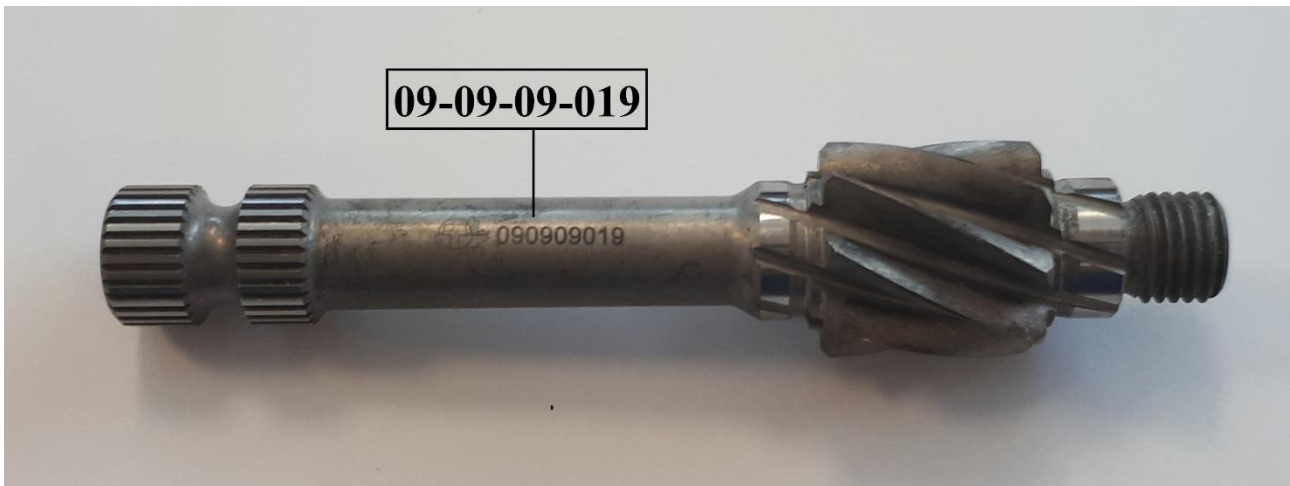

Accomplishment: immediate

The following components had a laser marking variant:

- 24-13-007: standard steering rack

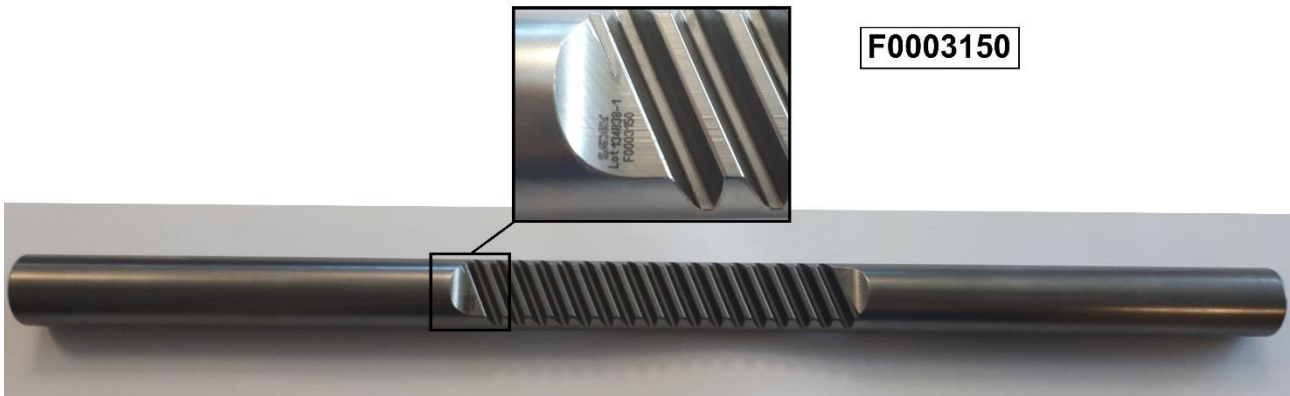

- 09-09-09-019: standard pinion

The alternative marking codes are:

- F0003150: standard steering rack

- F0003022: standard pinion

Tatus recommends to pairing laser marked 24-13-007 only with 09-09-09-019 and F0003150 only with F0003022.
