

Technorace in Formula Regional

The participation to the Championship of the ninth team enlarges the ranks of Formula Regional

Rome, 14 May 2019 – Another new entry in the Formula Regional European Championship certified by FIA with Technorace, who joins the line-up with a driver who will be defined in the next days, in view of the third appointment of the Championship, at Hungaroring circuit, in Mogyoród, Hungary.

Meanwhile the manager and driver Alessandro Perullo has already driven the Tatuus single-seater at the Gianni De Luca Airola Circuit for the first checks and technical adjustments.

This last entrance raises to 15 the number of drivers on the starting grid, while the teams enrolled are 9, as a confirmation of the constant growth in championship participation after the first two rounds at Paul Ricard and Vallelunga.
