## INFORMATION REGARDING TRUCK DRIVING BAN IN AUSTRIA

Dear Ladies and Gentlemen,

We would like to inform you that a driving ban exists for heavy good vehicles on the whole Austrian road network for Saturdays, Sundays and holidays. This comes in force on Saturdays from 3.00 pm to 0.00 am and on Sundays and holidays from 0.00 am to 10.00 pm.

These rules apply to trucks without trailer and semi-trailers over 7,5 tons of maximum permissible weight, as well as with trailer if the maximum permissible weight of the truck or semi-trailer is or exceeds 3,5 tons.

If you plan on driving home or to your next stop on a Saturday, Sunday or holiday you will need an exemption of the Styrian Provincial Government for every truck or semi-trailer.

Please fill in the attached form and send it to the Office of the Styrian Provincial Government Department 18E, traffic law at least **two weeks before** the start of your event on the Red Bull Ring to ensure a timely handling.

Please forward the above mentioned information as well as the form to all your co-organisers, teams, clients, etc.
