

In the battle Vesti is the winner

The Danish takes advantage of the battle between his two teammates and manages to take distance for the first win of the championship

Le Castellet, 13 April 2019 – At the start the line-up sees Enzo Fittipaldi, Olli Caldwell, Frederik Vesti (tutti Prema Powerteam) and Igor Fraga (DR Formula by RP Motorsport).

In the first corner the battle between Fittipaldi and Caldwell is to the limit, bringing the two finally out of track and leaving space for Vesti who cleverly passes: “I saw my teammates battling and left some space between us to then overtake”. Also the fast Fraga manages to pass and take second position, so the race changes a lot compared to starting grid.

Fittipaldi manages in the last laps to overtake Fraga in difficulty with tyre wear, while Caldwell stays back and finally reduces speed to limit tyre wear.

At his back battle between Raul Guzman (DR Formula by RP Motorsport) and David Schumacher is intense, almost beyond the limit, when the German driver cuts through a chicane and is penalized with 5”. It is so Guzman to conquer 5° position.

Race 2 sees grid with Caldwell in pole, followed by Fittipaldi, Vesti, Fraga and Schumacher. Race will start today at 14.55 with live streaming 5 minutes before the official start on Facebook FRegional (<https://www.facebook.com/FormulaRegionalEU/>) and on Motorsport.tv.
